

YES, I CAN (COIL CLASS)

MARCH 18 – APRIL 29, 2023 | SANTA CHIARA LAB

Florida Gulf Coast University - Prof. Dr. Lois Carme

University of Siena - Prof. Dr. Alessandra Viviani

SANTA CHIARA LAB
Università di Siena 1240

Online course open to all students of the University of Siena

**UNIVERSITÀ
DI SIENA 1240**

COURSE OBJECTIVES

- ◆ Raise awareness on the issues of disability and inclusion (through dialogue between various disciplines and the role of the arts)
- ◆ Facilitate the acquisition of transversal team-working skills and emotional intelligence

LEARNING METHODOLOGIES

The methodology used is the COIL (collaborative online international learning) method and involves online virtual exchange activities with a class of the Florida Gulf Coast University and participation in working groups made up of participants from both institutions (USiena and FGCU).

MAXIMUM NUMBER OF PARTICIPANTS

n. 24

LANGUAGE: ENG 

For this series of meetings, recognition of 3 credits is foreseen for "Activities useful for entering the world of work".

Students who have followed all the meetings and participated in the related Project work will also be awarded the appropriate Open Badge.
